

Little Chepstow News!

Volume 1 Issue 2

Dates to Remember!

7th December: Christmas Song Celebration in Nursery. 1.00am and 3.00pm

10th December : Christmas Fun Day/Santa Visit.

10th December: End of term. Normal times.

5th January: Spring Term Starts

Dear Parents,

Another very busy month has passed at Little Chepstow and we enjoyed learning all about Winter Festivals, including Diwali and Thanksgiving. A highlight was the yummy pumpkin pies brought in by Jasper!

The children paid close attention during our Road Safety Week and we loved seeing Miss Thess dress up as a police officer to talk to us about how to cross roads safely. The Shoe Box Appeal was wonderful and the children were excited to tell us about their boxes. Thank you all for your generosity.

We are now fully into our Christmas preparations and the excitement level is rising! Everyone is really looking forward to decorating the school and choosing a special tree. We would love to have some decorations for our tree so please bring some in! We look forward to seeing many of you at our Christmas Song Celebration on December 7th.

A sad good bye is said to Miss Marie Jeanne and Miss Jana. We hope they will come back and visit us very soon

We wish you all a happy and safe holiday season!
Miss Whiteside

Field Mice News:

Since we last wrote, The Field Mice have become so big and clever! We can all put on our coats independently and many children can also do them up—Keep practising! The children love the 'WOW' board so please add happy news or achievements from home. I'm sure you will have noticed the lovely sunflower pictures in the hallway. We first drew and then painted them. Miss Marie Jeanne and I were very impressed with the results. Well done everyone. Another exciting day was when we linked our letter of the week 'e', with a Humpty Dumpty experiment. This really was learning coming to life and so interactive! I do hope your child told you all about it. The Field Mice have also taken to cooking in a big way as we have made scrambled eggs and more recently delicious vegetable soup. Yum! So now to Christmas.....watch this space....

Dormice News:

In the Dormice group we have had a busy few weeks. We have learned about Autumn and have been talking about hedgehogs. We have made an autumn tree collage by collecting leaves in the playground and making a mummy and baby hedgehog display. We have made many hedgehogs using clay and sticks. We have talked about Bonfire night; we watched a firework display video on the interactive whiteboard before making our own fireworks using a special sponge brush, paint and lots of glitter. We have cooked lots of yummy things this month however the 'BIG' was mini apple pies, they were so yummy!!! "Road Safety" week was great fun. We learnt how to be safe when walking on the streets and crossing the roads. We enjoyed practising our stop, look and listen before crossing on our set up road in the playground. A big thank you to all parents and children who have donated cushions to our "Comfy Cushion Corner", it looks amazing and is indeed comfy!

Our Photo Gallery

The Dormice learn how to cross the road safely.

The Field Mice make delicious, healthy vegetable soup.

Humpty Dumpty had a great fall!
Look at our egg experiment!

Thank you everyone for our lovely comfy cushions.
Reading is very comfy.
